## Policy

### 1. School profile, values, philosophy and vision

At Mount Eliza Secondary College, a collaborative and personalised approach supports students and staff as active learners. We work to empower students to be their best by questioning their experiences, expressing themselves with confidence and participating in local, national and global communities. As an accredited International Baccalaureate School our program at years 7 - 9 focuses on building capabilities that are cross curricula and transferable. We are committed to safety and wellbeing for all young people and this is the primary focus of our care and decision-making.

Our motto is 'Educated for excellence, Prepared for life' and this is reflected in the setting of high expectations for students, staff and our community. We use our knowledge of, and close relationships with our students to focus on a learning experience that is both challenging and supportive. The same approach is applied to all members of staff whose work environment reflects an expectation for life-long learning. In preparing students for their future, opportunities to make improvements in the way in which they go about their learning and interact with others is specifically taught, reflected upon and further developed.

Our driving values are Happy, Smart, Prepared.

## **1. Wellbeing and engagement strategies**

Because we believe that no student can learn unless wellbeing needs are met, and that being 'smart' can be demonstrated in many ways, our programs are broad and inclusive and allow for recognition and success beyond the traditional areas of study. We are also committed to the future of every student after school and provide genuine learning opportunities for the broadest range of skills and attitudes required to support this commitment. Mount Eliza Secondary College Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

### **1. Engagement strategies**

Mount Eliza Secondary College has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. Behavioural expectations of students are grounded in our school's Statement of Values.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Mount Eliza Secondary College will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
