POLICY

Definitions

“Racism takes many forms and can happen in many places. It means treating someone poorly because of their skin colour, ethnicity or where they come from.

Racism can be revealed through people’s attitudes, as well as their words or actions. It can also be reflected in systems and institutions. But sometimes it may not be visible at all. Racism includes all the barriers that prevent people from enjoying dignity and equality because of their race.”

Australian Human Rights Commission, (2020)

Incident Response

Reporting concerns to Mount Eliza Secondary College

6.1 Racism is not tolerated at our school. We ensure racist behaviour is identified and addressed with appropriate and proportionate consequences. All complaints of racism will be taken seriously and responded to sensitively.

6.2 Students who may be experiencing racist behaviour, or students who have witnessed racist behaviour, are encouraged to report their concerns to school staff or another trusted adult as soon as possible.

Our ability to effectively reduce and eliminate racism is greatly affected by students and/or parents and carers reporting concerning behaviour as soon as possible, so that the responses implemented by Mount Eliza Secondary College are timely and appropriate in the circumstances.

We encourage students to speak to Year Level Coordinators. However, students are welcome to discuss their concerns with any trusted member of staff including teachers, wellbeing staff, school social worker, Assistant Principals etc.

All communications with the Year Level Coordinator in the course of investigating an allegation of bullying will be managed sensitively. Investigations should be completed as quickly as possible to allow for the behaviours to be addressed in a timely manner.

The objective of completing a thorough investigation into the circumstances of alleged racism is to determine the nature of the conduct and the students involved. A thorough understanding of the

Response

8.1 The Year Level Coordinator may implement all, or some of the following responses to racist behaviours:

- Mandatory completion of MESC anti-racism online module (in student’s own time) within a time frame negotiated between the student and Year Level Coordinator (roughly one week).
- Offer wellbeing support, including referral to the Wellbeing Team, SSS, or an external provider to:
 - the target student or students
 - the students engaging in the racist behaviour
 - affected students, including witnesses and/or friends of the target student.
- Facilitate a restorative practice meeting with all or some of the students involved. The objective of restorative practice is to repair relationships that have been damaged by bringing about a sense of remorse and restorative action on the part of the person who has displayed racist behaviours and forgiveness by the person who has been vilified.
- Facilitate a mediation between some or all of the students involved to help to encourage students to take responsibility for their behaviour and explore underlying reasons for conflict or grievance. Mediation is only suitable if all students are involved voluntarily and demonstrate a willingness to engage in the mediation process.
- Facilitate a Student Support Group meeting and/or Behaviour Support Plan for affected students.
- Prepare a Safety Plan or Individual Management Plan restricting contact between target and students engaging in racist behaviour.
- Monitor the behaviour of the students involved for an appropriate time and take follow up action if necessary.
- Implement cohort, year group, or whole school targeted strategies to reinforce positive behaviours.
- Implement proportionate disciplinary consequences for the students engaging in racist behaviour, which may include removal of privileges, detention, suspension and/or expulsion consistent with our Student Wellbeing and Engagement policy, the Ministerial Order on Suspensions and Expulsions and any other relevant Department policy.

8.2 When the Year Level Coordinator has sufficient information to understand the circumstances of the alleged racism and the students involved, a number of strategies may be implemented to address the behaviour and support affected students in consultation with the Wellbeing Team, teachers, SSS, Assistant Principal, Principal, Department of Education and Training specialist staff.

There are a number of factors that will be considered when determining the most appropriate response to the behaviour. When making a decision about how to respond to racist behaviour, Mount Eliza Secondary College will consider:

- the age, maturity and individual circumstances of the students involved
- the severity and frequency of the behaviour, and the impact it has had on the target student
- whether the student/s engaging in racist behaviour have displayed similar behaviour before
- whether the behaviour took place in a group or one-to-one context

- whether the students engaging in racist behaviour demonstrates insight or remorse for their behaviour
