

MOUNT ELIZA SECONDARY COLLEGE

MESC PARENT PAYMENT POLICY

2026 Year 7

Dear Mount Eliza Secondary College Community,

Mount Eliza Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the college's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary.

MESC has a proud history of using voluntary contributions to enhance the learning experience beyond the basic curriculum as outlined in the examples further below. We have held the Requested College Council Items contribution at the same amount since 2018 to ensure it remains a feasible way to positively influence our school and the programs we can offer. The support of our families helps us to provide the best education and opportunities possible for our students, we are most grateful for all the time volunteered, fundraising activities & contributions received. It makes a huge difference to our school and the programs we offer.

This support has allowed us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs. Our literacy and numeracy ICT platforms allow teachers to differentiate curriculum, targeted at your child's learning point of need. These funds also support practical and science subjects to offer high quality projects and activities. Our Sporting Carnivals, Health and career incursions and more personalised experiences for small groups of students, rely on this support. The loss of these contributions will have an impact on the personalised approach to education that Mount Eliza Secondary College prides itself on, and why you chose this college for your child/children. Even though payments are voluntary, any curriculum contributions or other contributions we receive enable us to provide the best viable opportunities for all our students. Mount Eliza Secondary College is an inclusive school where every child is supported and provided for. Your continued support allows us to create this environment in our college with the resources required.

For further information on the Department's Parent Payments Policy please see a one-page overview attached. Please contact us if you have any questions or queries.
